The FlexCart Engineering Cart is the result of a two year partnership with Hilton and Hyatt to develop the most functional and efficient engineering maintenance cart possible. Now in service with thousands of maintenance professionals across North America, FlexCart through its Six Sigma design has proven to deliver many valuable benefits including:

#### GET MORE DONE!

Customers who have done time studies tell us that their engineers are getting 40% more work done when they use the Flexcart.

#### **KEEP TRACK OF TOOLS AND PARTS**

Flexcart's labeled tool pockets bins reduce lost tools and wasted time going back to the shop.

#### **INCREASE PROFESSIONALISM**

No more unsightly, disorganized carts. Flexcart elevates the professional image of engineering services to finally equal other areas of operation.

#### A POWERFUL NEW STANDARD

Utilizing the Flexcart throughout all your facilities creates a powerful new standard that is efficient, professional and predictable and will perpetually benefit your business.

Engineering Cart with tools included 0037300

Engineering Cart without tools 0037301

#### **CUSTOMER COMMENTS:**

"It is a workshop on wheels. You have everything you need at the work location."

Gio Valerso, Engineering Manager-Hyatt Regency Toronto

"These carts were designed for the Maintenance Professional. We bought 2 and have been glad we purchased them ever since."

Tommy Shirley, Facilities Services Manager-Corning Glass, Harrodsburg, KY

#### "My engineers think the FlexCart is great! We will be ordering more."

Joshua Ashlock, Director of Facilities, Cancer Treatment Centers of America

#### "Eye opening purchase for my team. Time saver, everything is at their fingertips."

Len Pinto, DOE-The Windsor Suites Philadelphia
