The All-New Windshear[™] 3200 Area Dryer

*Delivering powerful air movement
to dry your facility faster than ever before*

DURABLE PRODUCTIVITY The Tornado® Windshear 3200 Dryer is built with an injection molded polypropylene copolymer housing to withstand the harsh, every-day use of contract cleaners, restoration professionals and more. In addition, this material is much lighter than other molded housings making this unit not only durable, but lightweight as well. Due to its lightweight, durable construction, our fan will outlast other competitive models on the market today.

POWER AND SPEED COMBINED The Tornado® Windshear 3200 Dryer is a machine that was built for power and speed. Coming equipped with a .6 HP motor, this machine can produce 3758 FPM of air movement, beating out the competition and drying your facility faster!

MULTIPLE DRYING COMBINATIONS The possibilities are endless with Tornado's® Windshear 3200 Dryer. With three different speed settings and operating positions, you can determine the correct air flow and velocity for maximum performance. Use the Windshear 3200 to dry carpets, rugs, padding, subfloors, cabinets, dry-wall, paint, closets, baseboards, attics, furniture, draperies, or just about anything you need to dry. This machine increases air-flow, cleaning efficiency, safety, and minimizes down-time in a room or large facility.

KEY FEATURES:

- The Tornado® Windshear 3200 provides easy operation, durability and versatility for use in many different environments including Hotels, Resorts and Restaurants
- Space saver stackable design takes up less room in storage
- Easy to transport with optional telescoping handle for easy portability
- Reinforced motor lugs to prevent damage in transport
- Meets OSHA standards for maximum weight / size
- 3 speed settings for controlled drying
- Adjustable kickstand with three operating positions
- Molded, easy-carry handle for portability
- Aerodynamically designed for fast and easy drying
- Rotomolded high density polyethylene housing for rugged durability

Windshear 3200
