

PRECISION SERIES®

Towel Receptacle, 25-gallon

This upscale towel bin has hygienic stainless steel surface and offers a convenient way for users to return towels. The Imprinted Towel Bin has an open-top access, allowing guests and staff members to return used towels without touching the lid. Its 25-Gallon capacity works well in high traffic areas and the "Towels Only" decal clearly identifies the bin for its specific towel-recycling purpose. This receptacle is perfect for spas and fitness areas.

KEY BENEFITS & FEATURES:

- Indoor solution, perfect for any business
- Constructed from recycled heavy gauge 304-grade stainless steel and powder-coated steel; it won't easily rust and its hygienic surface has no pores that harbor dirt or bacteria for an extremely long service-life with a clean, modern style
