Schoolhouse / Americana™ / Americana Woods

Seating's only half the story.

Rockfish Grill, Texas
Schoolhouse 982

Schoolhouse Pub Seating

Head of the class.

Class is always in session with our School House pub chairs and barstools. Featuring a contoured maple ply upper back and upholstered lower back with your choice of style seat, these classic pub chairs and barstools get high marks in any environment. Clear, non-marring floor glides and our five-year structural frame warranty are standard. Also available with our COMFORTweb® seating system – making them the textbook example of classic design meeting modern-day durability. Take your seat at the front of the class with School House pub chairs and barstools.

Schoolhouse Series

High marks for quality craftsmanship.

The warmth of wood and the strength of steel put this perennial student at the head of the class. And its saddle style wood seat, contoured upper wood back and MTS exclusive lumbar support make this schoolhouse chair a star pupil in the subject of comfort.

Options include pullover, COMFORTweb®, or cobbler style upholstered seats. Available in MTS standard wood stains or custom match stains to your specifications.

Sit Green.

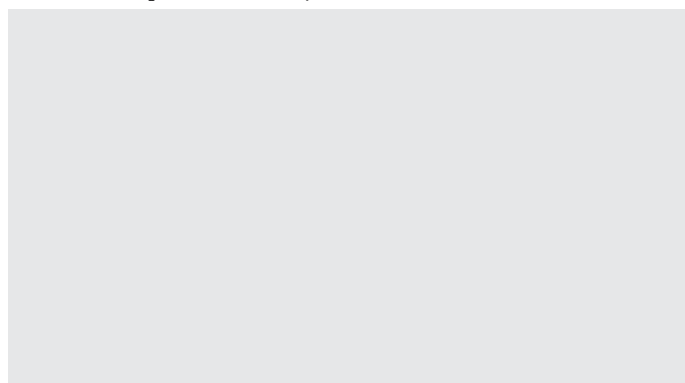

It's not just a seat. It's a style.

To combat the impact that manufacturing processes can have on our environment, MTS developed SynerGreen™. This eco-friendly philosophy was designed to make continuous environmental improvements in our processes and products without compromising sound business principles. Through aggressive recycling programs, reduced emissions, and energy conservation efforts, we're creating seating solutions that allow us all to rest a little easier.

Visit our website at mtsseating.com to find out more about our SynerGreen program and for the big picture in turnkey solutions for every seating setting. Discover performance engineering, ergonomics today's hospitality industry demands, and the design impact to make a lasting statement – whimsical to romantic, retro to regal.
