ASSEMBLY INSTRUCTIONS

MODEL 694 Double Medium Duty Hamper

NO TOOLS REQUIRED

NOTE: Casters and foot pedals come pre installed on this unit.

1 person assembly

STEP 1

Insert four vertical male poles into female base tubes.

STEP 2

Place lid onto vertical poles with the four receiving ends.

STEP 3

Install pedal wires by inserting one curved end of wire through middle hole in foot pedal frame. Insert other end of wire into hole at back of lid. Be sure pedal wire ends are facing inward.

NOTE: Lid height when opened is adjustable via the different holes in foot pedal frame.

Your Double Medium Duty Hamper is now ready for use.

WARNING

- When moving hamper, always proceed slowly
- Secure bag before use
- Before using foot pedal, confirm that brake is engaged and lid is not obstructed
- Make sure casters roll easily and are free of debris
