Self-contained extractors offer quick and easy cleaning. For convenience you can't get any easier than a Powr-Flite self-contained extractor. You get maximum productivity with the added flexibility of attaching additional tools for cleaning spots, stairs and upholstery. These extractors are great for tight areas where maneuverability is a problem.

The PFX900S provides superior cleaning power with a floating brush head that maximizes agitation and leaves the carpet cleaner. You never have to worry that you don't have the brush at the proper level – it needs no adjustment. The powerful 1300 RPM chevron style brush agitates and removes soil other self-contained extractors leave behind. Solution is delivered at 100 p.s.i. through two spray jets for even application.
