DO YOU HAVE A GUARANTEE OR WARRANTY?

Absolutely! Every Marpac by Yogasleep **mattress** comes with the peace of mind of a 10-year best-in-class warranty. This warranty applies to defects in materials and workmanship for Yogabed sheets, bed linens, Memory Foam Pillows, Zip-N-Wash Covers, **weighted blankets, mattress protectors, frame foundations, and box foundations**, and extends for a period of one year from the date of purchase.

Here is our limited one-year factory warranty on **sound machines**:

Marpac warrants its sound machine products (with exceptions as indicated below), to the original purchaser, to be free of defects for a period of one year from the date of purchase. This limited warranty covers all parts and/or workmanship against defects or breakage in normal intended use. This limited warranty does not cover damage caused by accidental dropping, rough handling, or misuse of the product, including tampering, or the application of electrical power other than that listed on the label (120V or 240V, depending on the model). Altering or tampering with the label will also void this warranty. This limited warranty covers our products for use in the country they were purchased from. Should you attempt to use this product in another country, the warranty will be void. This warranty gives you specific legal rights and you may also have other rights, which vary from state to state.

Our ultimate promise to you is that we do our best to make high-quality tools for sleep. We really do care about your enjoyment of our products, and we want to hear from you any time you think our product has disappointed you. Please [contact us \(/hc/en-us/requests/new\)](/hc/en-us/requests/new). We stand behind these products, expect them to last, and will make every reasonable effort to make you happy.

You can read our full product warranty [here](https://marpac.com/pages/warranty) (<https://marpac.com/pages/warranty>).

We will of course honor the warranties for products purchased on Yogabed.com prior to our acquisition.
