

Crossover / DLHF0817GC2

7.0 CF Commercial Gas Dryer, 22+lb Capacity, OPL/Card/Coin Rdy

Strength, durability, and performance are at the center of the newly refined Crossover 2.0 by Wascomat. Built with professional grade components and loaded with powerful features, our small chassis front-load dryer combines innovative technology, energy efficiency, and proven Wascomat reliability for optimal results every time. The highly efficient axial airflow system and tight construction results in extremely low energy usage and faster drying times. Innovative support rollers improve drum stability, ensure quiet operation, and extend the life of the machine. Crossover 2.0 dryers are easily programmable with promotional vend pricing at specified times and days. Multiple promotion events can be programmed at one time using the built-in real time clock. Crossover 2.0 - in a class by itself.

- Coin or OPL operated gas dryer with commercial grade construction
- Real-time clock for happy hour, promotional pricing
- Extra-large 7-cu. ft. drum with 22+ pound load capacity
- Large capacity can handle oversized loads with ease
- Extra-large door opening for easy loading and unloading
- Drum supported by five roller bearings for long life
- Axial airflow ensures the shortest drying time (170 CFM)
- Heavy-duty lint screen is easy to clean
- Space-saving design is easy to install
