

Cape Soleil / LIVGWVDNCHR-1GM

Commercial Aluminum Woven Chair S/1

A fresh perspective on traditional and transitional styling, Cape Soleil provides an exclusive feel in outdoor furniture, fire features and other outdoor essentials where it combines innovative design with the latest materials for long-term durability that can stand up to rigorous use of commercial environments. Make the most of your investment and keep guests coming back year after year with high-quality furnishings crafted from UV-resistant, contract grade materials like cast aluminum, sling and woven variations paired with Sunbrella UV-resistant fabrics. Provide guests with a glimpse into luxury at moderate prices that fit the budget.

- Woven commercial dining chair from the Livingston Collection
- Designed with all-weather, maintenance-free materials that are built-to-last years of regular use outdoors
- Commercial-grade patio furniture is perfect for furnishing hotel landscapes, restaurant patios, and residential use
- Stackable dining chairs feature convenient handles in the backrest for easy lifting, stacking, and unpacking
- High-quality resin weave is more comfortable, flexible, and outlasts traditional wicker furniture
- Rustproof aluminum frames treated with a multi-step, gunmetal finish for maximum outdoor protection
- 10-year warranty for durability you can count on
- Ships fully assembled
- Quality tested and approved
