

Enhance cleaning efficiency with interchangeable housekeeping tools that feature quick-change mechanisms and can be used with an expandable pole for better reach. These lightweight tools also include ergonomic grips and easy-on mechanisms, increasing safety and reducing trips to the housekeeping cart for better workflow.

A collection of various cleaning tools arranged vertically. From top to bottom: a blue T-shaped squeegee, a blue rectangular squeegee with a handle, a white rectangular sponge, a grey rectangular sponge, a blue and white rectangular sponge, a blue-handled roller with a white cylindrical roller, a white cylindrical roller, and a stack of four colorful cloths (grey, pink, green, red). To the right of these tools is a long, thin, white cleaning tool with blue handles at both ends.
