

# INSTA-BIN™

BY HOSPITALITY SOURCE

## REUSABLE POP-UP WASTE BIN

- Are the Waste Bins in your hotel too small for leisure guests?
- Are rooms and suites difficult for the housekeeping teams to clean?
- Ever need extra trash capacity for certain guests and families?

The *answer* for any hotel is the reusable **Insta-Bin**.

**Insta-Bins** are easy to store, can quickly be set up, reused many times, and work with standard size 13 gallon trash bags.

Implement the use of **Insta-Bins** and your housekeeping team and hotel staff will thank you!

## Other **Insta-Bin** Benefits:

- **Insta-Bins** are approved for use and can be found in the **Hilton "CleanStay" program** ordering guide.
- **Insta-Bins** were specifically developed for hotel use.
- **Insta-Bins** are made from eco-friendly material and can be recycled.
- Perfect for hotel receptions, parties, and trade fairs.
- **Insta-Bins** can be used many times and are lower priced than one-time use equivalents.
- With today's reduced housekeeping services being widespread, **Insta-Bins** can help manage waste and recycling control.
- Multiple restaurant take-out containers and most pizza boxes easily fit in the **Insta-Bin**.
