

Universal and accessible solution

This headset shines where focus, clear communication and all-day comfort are top priorities.

The AE-79 is the ideal tool for empowering the audio experience

Whether you're in back-to-back video calls all day at the office or connecting students to online resources, you'll appreciate all the extra bells and whistles on the AE-79 headset. With extra features like deluxe ear padding for comfort and larger speakers for clear, natural sound, this headset is perfect for all learning environments, eGaming, podcasts and more.

- Larger speaker size enhances deep bass tones to deliver clear, natural sound.
- Bidirectional, noise-canceling boom mic filters out background noise.
- Superior comfort with headband padding and deluxe padding that surrounds the ear.

PASSIVE NOISE REDUCTION

Noise-reducing earpieces support focused listening and minimize distractions.

FLEXIBLE ARM

Flexible and adjustable boom arm on microphone for clear communication.

VOLUME CONTROL

Inline volume control to easily increase, decrease or mute the volume

OUR AUDIO SOLUTIONS ARE:

- Durable and reliable
- Easy to store and clean
- Meets safety compliances
- Compatible across many platforms and devices

Larger speaker delivers clear natural sound with deep bass

Flexible noise-canceling rotating microphone for uninterrupted, clear communication

In-line volume controls

Includes travel pouch for convenient on-the-go storage
