

# The AE-79 is the ideal tool for empowering the audio experience

Whether you're in back-to-back video calls all day at the office or connecting students to online resources, you'll appreciate all the extra bells and whistles on the AE-79 headset. With extra features like deluxe ear padding for comfort and larger speakers for clear, natural sound, this headset is perfect for all learning environments, eGaming, podcasts and more.

- Larger speaker size enhances deep bass tones to deliver clear, natural sound.
- Bidirectional, noise-canceling boom mic filters out background noise.
- Superior comfort with headband padding and deluxe padding that surrounds the ear.

### **PASSIVE NOISE REDUCTION**

Noise-reducing earpieces support focused listening and minimize distractions.

#### **FLEXIBLE ARM**

Flexible and adjustable boom arm on microphone for clear communication.

### **VOLUME CONTROL**

Inline volume control to easily increase, decrease or mute the volume

#### **OUR AUDIO SOLUTIONS ARE:**

- · Durable and reliable
- Easy to store and clean
- Meets safety compliances
- Compatible across many platforms and devices

Larger speaker delivers clear natural sound with deep bass

Flexible noise-canceling rotating microphone for uninterrupted, clear communication

In-line volume controls

Includes travel pouch for convenient on-the-go storage
