

# SURGE 10 MID-SIZE CARPET EXTRACTOR GS# 0078096

COMPACT DESIGN. FULL POWER.

Carpet  
Extractor

Item# TE070-G10-U

## Compact Design

The compact design enables easy navigation of tight spaces and convenient storage of the unit, making it perfect for hospitality, multifamily and commercial settings.

## Full Power

The powerful three-stage vacuum motor removes more water and soil, resulting in faster drying times and extended carpet life.

## Built to Last

Constructed with durable roto-molded housing and long-lasting commercial components; backed up with a 10 year housing, 2 year parts and labor warranty.

### Mobility

Large 10" rear wheels ease mobility over stairs and curbs.

### Strain-Free Loading

The handle-mounted transport wheels take the strain out of loading and unloading the unit from a vehicle.

### Convenient Controls

The intuitive controls include front-mounted power switches and pressure controls for operator convenience.

### Easy Draining

The front-mounted drain hose is easy to access and allows for quick disposal of recovered liquids.

### Service Access

The clamshell design improves access to mechanical components, reducing downtime for repairs and maintenance.

### Wand Included

Unit comes complete with a 20 ft. hose and two-piece wand for optimal recovery.
