

Helps Eliminate Soils in Various Water Conditions

Liquid Laundry Neutral Detergent and Builder

Two-product detergent system combines a neutral detergent and builder to consistently whiten and brighten all fabrics with water hardness control.

Neutral Detergent

- ▲ Clean and whiten linens by penetrating and lifting oily soils
- ▲ Brighten linens with optical brighteners
- ▲ Help promote sustainability with super-concentrated product formulated to wash more loads per package¹

¹ Super-concentrated product formulation increases the number of dispensing dosages per packaging when compared to Ecolab previous products, Laundry Neutral Detergent Plus. As a result, less annual packaging plastic is used for the same amount of dispensing dosages

Builder

- ▲ Reduce yellowing of linens with water hardness control
- ▲ Use with Ecolab Liquid Laundry Neutral Detergent

 **Color-Coded Safety**
Color-coded chemistry and packaging promote safe operation and easy employee training by eliminating product confusion.

PRODUCT	SKU	PACK SIZE
Liquid Laundry Neutral Detergent	6102161	1 - 5 gal
	6102162	1 - 15 gal

PRODUCT	SKU	PACK SIZE
Liquid Laundry Builder	6102151	1 - 5 gal
	6102152	1 - 15 gal
