

Target Hard Water and Iron. Promote Skin Comfort.

Liquid Laundry Sour with Iron Control

Help protect linen investment and reduce linen replacement with concentrated liquid laundry sour with iron-controlling additives.

- ▲ Help protect linen from graying and yellowing even in areas with high level of iron and water hardness
- ▲ Designed to eliminate excessive chlorine on linens with anti-chlorine features
- ▲ Effective in most laundry conditions

Color-Coded Safety

Color-coded chemistry and packaging promote safe operation and easy employee training by eliminating product confusion.
