

# Period products where they are needed most

## Provide FREE Pads next to the Toilet Paper in Every Restroom Stall

Periods are unpredictable. No one should have to leave the stall or ask for help when their period starts. Egal Pads on a Roll™ offers a practical, accessible solution.

**Convenient:** Dispensed next to the toilet paper – exactly where it's needed.

**Inclusive:** Designed for all restrooms – supporting menstrual equity.

**Simple:** Refill in under 30 seconds.

**Economical:** About 10% of the toilet paper budget—no costly vending machines required.

**Sustainable:** 86% less packaging than vending machines.

**Sealed:** Individually wrapped pads for hygiene and comfort.

**86%**

of menstruators have been caught without a pad or tampon.

**92%**

have encountered vending machines that are jammed, broken, or empty.

**1 in 5**

students have missed school due to lack of access to period products.

## Quality You Can Trust

Egal Pads on a Roll™ offers high-quality pads designed for comfort, dignity, and reliability. The standard roll holds 40 pads, while the plant-based roll holds 30 pads, both significantly reduce packaging waste - no costly vending machine required. Thin, absorbent, and easy to refill, they dispense just like toilet paper for a seamless experience.
