

Kleen-Pail® Pro™

Dedicated non-food container for cleaning and sanitation.

Kleen-Pail® Pro™ color-coded pails eliminate confusion between cleaning and sanitizing solution containers. Kleen-Pail Pro's patented, curved shape allows for easy pouring, with molded-in handles for more control. Embossed lettering ensures the pail complies with health code, and the trilingual design aids in employee training. NSF approved, the pail is dishwasher safe, easy to clean, and fits into any HACCP plan.

Available in 3, 6, and 8 qt. sizes for front-of-house and back-of-house applications.

Features

Debris-Catching Ribs
keep towel separated from debris

Raised Bottom
for easy grip and pour

Rounded Corners
for a smooth, easy pour
