product features

quick, easy liner change: Lid lifts up to make liner changes faster and more convenient. And custom fit liners are a perfect fit — no bunching or slipping — so the can always looks neat and tidy.

heavy-gauge steel construction: Thick, heavy-gauge steel makes this can dent-resistant and sturdy.

wide, wider, widest: The wide openings of our bullet open cans make it easy to throw away large containers and other bulky items — even on the go.

perfect fit — extra strong: Our code Y custom fit liners fit this can perfectly so there's no bunching, slipping or messy bag overhang for a neater, cleaner look. They are also extra-thick and double-seamed so you can pack your trash to the rim without rips, leaks or tears.
