### product features

**quick, easy liner change:** Lid lifts up to make liner changes faster and more convenient. And custom fit liners are a perfect fit — no bunching or slipping — so the can always looks neat and tidy.

**heavy-gauge steel construction:** Thick, heavy-gauge steel makes this can dent-resistant and sturdy.

**wide, wider, widest:** The wide openings of our bullet open cans make it easy to throw away large containers and other bulky items — even on the go.

**perfect fit — extra strong:** Our code P custom fit liners fit this can perfectly so there's no bunching, slipping or messy bag overhang for a neater, cleaner look. They are also extra-thick and double-seamed so you can pack your trash to the rim without rips, leaks or tears.
