COMPACT HOUSEKEEPING CART

The Compact Housekeeping Cart is the complete system solution for efficient housekeeping, offering 360° maneuverability and customizable organization with an adjustable shelf. Featuring a modern and smart design, this cart meets a wide range of housekeeping needs. Its premium aesthetic, easy maneuverability, and internal storage space enhances both your staffs speed and quality of cleaning, and your facility's image.

FEATURES & BENEFITS

- Five swivel casters provide users with full 360° rotation, making the carts easy to maneuver in tight spaces.*
*compared to previous RCP FG619000BLA cart
- New fifth caster locks to toggle between fixed and swivel modes, while two total-lock casters secure the cart stationary when unattended.
- With 25% greater lockable cabinet capacity*, housekeepers are able to store more on their carts and reduce trips to the storage closet. *compared to previous RCP FG619000BLA cart
- Modular shelf can be rearranged, providing users with customizable storage and organization.
- Enhanced stick good holder system featuring five holders, providing effortless access to stick goods for improved convenience and efficiency.* *one less stick good holder option is available when cart is retrofitted with PROPWR™ Motorized Kit.
- PROPWR™ Motorized Kit (2202583) with new throttle design lets users move carts with virtually no effort for enhanced convenience and efficiency.
