

T18 Superflow™ Black

Lightweight rubber mat that is reversible further extending the life of the mat

Superflow™ is a lightweight anti-fatigue general purpose rubber workstation mat. Its' lightweight design makes it a perfect choice for applications where the mat is routinely moved for cleaning. Superflow™ is reversible further extending the life of the mat. A drainage system facilitates the removal of liquids and debris from the work area and the molded-in beveled edges reduce trip hazards and allow for easy access onto and off of the mat. Superflow™ has an aggressive textured top surface that provides additional traction in wet areas.

- Drainage system removes liquid and debris
- Lightweight for easy handling and cleaning
- Reversible design to extend service life
- General Purpose Rubber
- Molded in beveled edges
- Generally recognized as safe (GRAS) for contact with food, ingredients published by the FDA under 21 CFR 177.200

Stock Sizes	2'x3', 3'x5', 4'x6'
Thickness	5/8"
Colors	 Black
Product Group	Ergonomic, Anti-fatigue & Safety Matting
Environment	Wet/Dry Areas
Usage Intensity	Medium duty
Sales Tip	Reversible design extends the service life - almost like buying two mats for the price of one.
Material	Natural rubber
Product Weight sqft in lbs	1.3
Process	Compression Molding
Reach	Reach compliant (Registration, Evaluation, Authorization and Restriction of Chemicals).
Prop 65 Warning	Prop 65 Complaint
