

# 130 Sabre™

Entrance mat for drying shoes for light to medium traffic areas

A step above the commodity entrance mat, Sabre™ is designed for use in light to medium foot traffic areas. Sabre's™ durable Decalon® fibers provide moisture and dirt retention at entrances, lobbies, and passageways; reducing slip hazards and floor care maintenance. A vinyl non-slip backing helps to minimize mat movement.

- Dries shoes and retains debris
- Decalon® fibers provides moisture and dirt retention and is stain resistant
- 19 ounces of tufted cut-pile Decalon® per square yard
- Low profile entrance mat to perform in narrow clearance doorways
- Vinyl backing ensures minimal buckling and mat movement
