

# T43 Nozzle

Rubber hose designed to withstand hot water temperatures for kitchen and mat washdown.

Insulated standard and premium nozzles with contour grips. For use with NoTrax® hot water hoses. Premium nozzle is a zinc contractor grade nozzle with insulated rubber grip for spraying water up to 160F. Fully adjustable and will spray from a light spray for small tasks to a powerful jet spray for heavy-duty jobs. To allow flow control and adjustable spray for a fine mist to heavy stream. To modify water pressure, a flow control knob allows a quick adjustment to the flow of water without going back to the faucet. A simple flip of the triangle clip holds the trigger in place, allowing continuous water flow which helps reduce hand fatigue. Standard nozzle is a 5 1/2" metal trigger nozzle with removeable thread protector. Three sprays, jet, cone and mist.

- Contoured, comfort-fit grip
- For hot water use
- Quick adjust tip of the nozzle from a wide-cone spray to a fine-tune spray
- Insulated to help prevent hot or cold handle
- Ideal for all washdown needs
- Nozzles can be used with Notrax® rubber hoses

Colors	n/a
Product Group	Ergonomic, Anti-fatigue & Safety Matting
