

T25 Challenger™

Lightweight anti-fatigue mat with an anti-slip top surface for added traction

Challenger™ is a lightweight anti-fatigue mat made of natural rubber. Its' large hole design provides excellent drainage removing liquids and debris from the worker platform and its' lightweight construction makes it easy to handle. An aggressive anti-slip top surface enhances traction in wet or greasy environments.

- Raised edging around each hole creates a slip resistant surface
- Large drainage holes remove liquid and debris from platform
- Lightweight design for easy handling and cleaning
- General purpose rubber
