

Delicious * Convenient * Affordable * Sustainable

waka

COFFEE

Delicious, eco-friendly in-room coffee
that doesn't break the bank.

Pour ☕

Add Water ☕

Dissolves completely!
Make it hot or iced.

Enjoy ☕

No special equipment required.
Just add hot water from a kettle,
coffee brewer, or microwave.

Improve Guest & Housekeeping Satisfaction

Thoughtful Packaging

Our packaging is made with post consumer recycled content and sustainably sourced paper.

Less Waste & Hassle

Say goodbye to bulky tools, filters, and plastic pods. Just add water and enjoy.

We Give Back

We donate to support clean water initiatives through our Add Water, Give Water program.
