"WE'VE MADE A NAME FOR OURSELVES IN QUALITY"

## IRON CONNECTION®

*Tired of seeing iron burns on carpet and bedspreads?*

*Having issues with iron theft?*

Iron burns on carpets, bedspreads and even furniture are an expensive problem for nearly every hotel. The Iron Connection provides the solution by combining the iron, board and holder, making it necessary to use the board every time the iron is needed. How much can your property save?

### THE "PRESSTIGE" LINE

Stylish design and heavy duty construction are the key components to these "top of the line" boards. Features include 54" X 14" ironing table, 1 3/8" leg tubing, positive lock height adjustment, oversize secure end caps with deluxe tread, welded T-leg for strength, and unique closed-position leg lock mechanism. Quiet, smooth, and substantial, this board lives up to its quality name.

### ONE-PIECE BUNGEE WITH FIBER PAD

This new product has got it all: Pre-treated, scorch resistant cover material, a thick fiber pad sewn onto the cover, and bungee edge that keeps the whole thing tight and sharp looking all the time. It never needs adjusting or tightening, has no strings attached, and it fits all ironing boards considered "full-sized" (54" X 14" and 53" X 13"). Your guest will arrive to find a neat and tidy ironing board, a thick, fiber pad that doesn't slide, and a deep nose fit for cushioning all the way out to the nose of the board.

Colors: TOAST, BLUE, SILVER.
