

WingIts' CRESCENT[®] SHOWER CURTAIN RODS

1

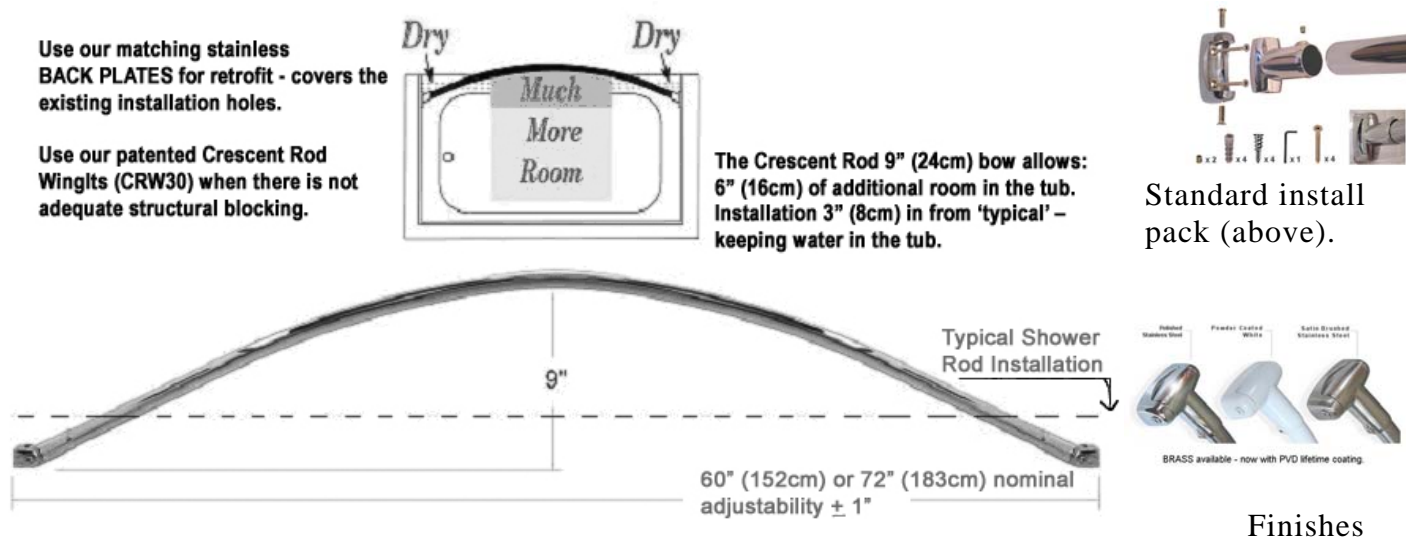

INNOVATION and BEAUTY have culminated in our Shower Rods.

BRIGHT or SATIN STAINLESS - Stainless

- Rod Diameter: 1" / 25.4mm
- Finish: 600 grit
- Rod Wall: 1/32" / 0.8mm
- BRACKETS are Zinc die cast to match.

- Brass has Plasma Vapor Deposition (PVD) finish and Lifetime Warrantee
- White is White Powder Coated Paint over Alloy Steel.

The WingIt Crescent Rod is the ultimate in design for a shower rod – enabling you to use a standard shower curtain and gain 6" in room. All while keeping all the water in the tub! The curtain angle, as well as being installed 3" more into the tub, insures the water stays in the tub.

CRESCENT[®] RODS Install 3" Further Into The Tub Than Straight Rods.

PRODUCT:

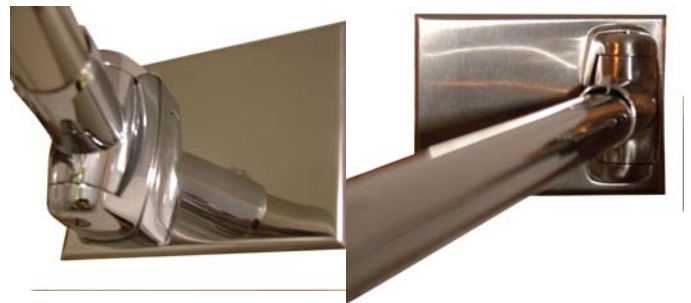

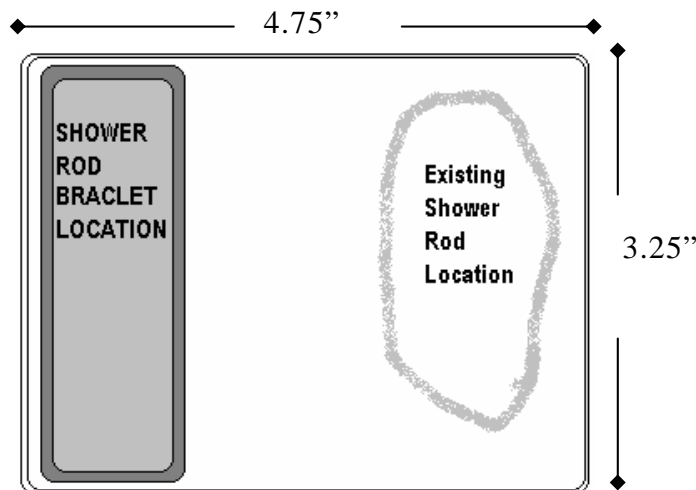

Decorative Concealing Bracket used with the WingIt Crescent Shower Rod – Stainless.

MODEL #	DESCRIPTION
BCSR-CHM	WingIt Crescent Rod POLISHED STAINLESS (Chrome) BACK PLATE STAINLESS
BCSR-SNM	WingIt Crescent Rod SATIN STAINLESS (Brushed) BACK PLATE STAINLESS

DESCRIPTION:

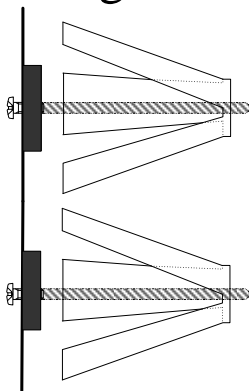

Bracket used to conceal installation holes left by existing shower rod, while allowing for the proper placement of the WingIts Crescent Shower Rod. The standard WingIt Crescent Shower Rod installs 3" further into the tub area as compared to straight shower rods. This Bracket locks behind the installed WingIt Crescent Shower Rod. MADE in the USA.

Minimal profile Bracket made of Stainless Steel is formed to lock into the WingIt Crescent Rod and mounting hardware upon installation. Finishes in bright 'chrome' or satin 'nickel' to match the WingIt Crescent Shower Rods.

*Left: Back Plate dimensions and applications.
Above: Back Plate used with Brite Crescent Rod (L) and Satin Crescent Rod (R).*

WingIt Fastening Systems for Crescent Rods -

The Crescent Rod WingIt uses the Patented WingIt Fastening Technology already used throughout North America for strong, permanent installations.

- High strength plastics are used with sealing tape.
- Fastening system incorporates into the mounting bracket and will not be visible when installed.
- Can be used with Back Plates.
- PREVENTS Sag!
- Will not loosen over time.
- Fast Installation.

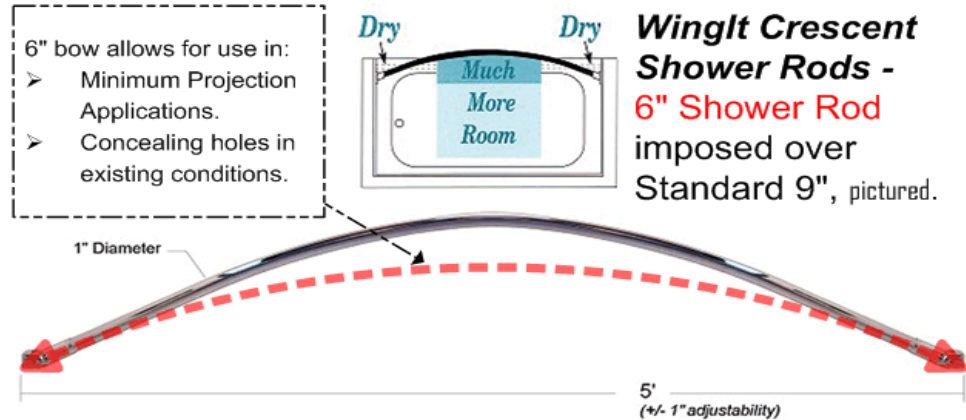

MODEL #	DESCRIPTION
CRW30	Crescent Rod WingIt – Faceplate w/ sealing tape, 2 wing assemblies and 3 " screws.

WingIt CRESCENT SHOWER CURTAIN RODS

EXCLUSIVELY FOR **MARRIOTT®**
