RESIST® DUAL STREAM TRASH & RECYCLING 2X23 GAL, TEXTURED BLACK/BLACK GLOSS

The Resist® Dual Stream Trash & Recycling Container is designed to maintain high-quality aesthetics under the most extreme outdoor conditions. Proprietary fan design resists up to 500lbs. of sustained blunt force. An advanced coating defends surfaces from graffiti and everyday stains. Special coating helps resist rust, corrosion, fading and UV. The permanent rain hood prevents unwanted environmental debris from entering the container.
