## THE ECLIPSE COLLECTION

BY  **CHOICE**  
HOTELS®

100% Polyester  
Microfiber with PHASOLOGY®

The Eclipse Collection by Choice Hotels is an innovative bed linen program engineered to provide higher guest satisfaction and superior performance. These linens are manufactured using fibers infused with Phasology®, a patented thermo regulating technology. Bed linens infused with this technology have faster wicking and moisture evaporation capabilities than those without the technology. These microfiber sheets have faster drying times, improved operational efficiencies and increased guest comfort.
