

TURNING INNOVATION
INTO APPLICATION

WE ARE GXM

Founded in 2008, GXM is a team of innovative technologists dedicated to creating solutions that merge technology and innovation.

We tackle challenges in interoperability, integration, and implementation by developing new pathways through R&D, rapid prototyping, and infrastructure modernization — **turning innovation into application.**

CERTS & CODES

QAS International
ISO 9001:2015
REGISTERED COMPANY
Certificate No. US4862

- DCAA Audited Rates / CPFF Prime Contracts
- Excellent DCMA Technical Ratings
- CMMC 2.0 Level 2 Certified (CMMC Unique ID: L2SH057118 in Supplier Performance Risk System)
- SBA Certified SDVOSB

PRIME CONTRACTS

GSA MAS
DIANA-NATO
OASIS+ (R&D, M&A Domains)
JEOD DSS
SEAPORT NXG
ERDC CSO

CAGE SAM UEID
57TP2 J2V1B37NMSX5

NAICS

541330, 541511, 541990, 541611, 541715,
541618, 518210, 541519, 541512

KEY TEAM PARTNER VEHICLES

DMATS AMP J-NEEO ICON JETX OTA

WHAT WE DO

DESIGN & COMPLIANCE FRAMEWORKS

- UI/UX & CX Design
- Human Factors
- Accessibility & Compliance

INTEGRATION & QA TESTING

- Verification & Validation
- Integration Architecture
- QA and Automated Testing

INTELLIGENT CLOUD & DATA

- Cloud & On Prem Solutions
- Big Data Modeling & Architecture
- Rapid Experimental AI Development

SOFTWARE DEVELOPMENT

- Prototype Development
- Cross-Platform Development
- Software & Data Engineering

DEVSECOPS & DEPLOYMENT

- Technology Scouting
- Secure Environment Setup
- Cybersecurity Protocols
- CI/CD Pipelines

PRODUCT & PROJECT MANAGEMENT

- Agile: Scrum/Kanban/SAFe
- Innovation Programming
- Fluid Operations Framework
