ENTRY DOORS

HAND-CRAFTED DOORS IN CUSTOM SIZES AND FINISHES

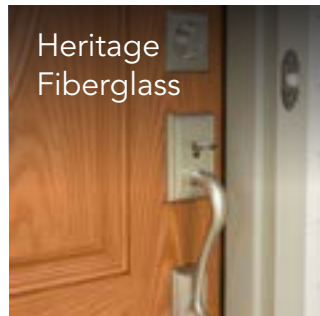

ProVia offers one steel and three fiberglass entry door lines that meet the highest standards for beauty, durability, security and energy efficiency.

- Our **Legacy™ Steel doors** can be customized to your specifications. We offer a wide array of styles, widths and heights, finishes and colors, textures, and embossing.
- **Heritage™ Fiberglass doors** feature enhanced woodgrain texture, improved definition embossing and a hardwood edge to prevent warping.
- The warm woodgrain shades of Cherry, Mahogany, Oak, Knotty Alder, and Fir make **Signet® Fiberglass** doors a welcoming entry to any home.
- **Embarq® Fiberglass Doors** are the most energy-efficient entry door system on the U.S. market, engineered and produced by the only door company to win the ENERGY STAR® Partner of the Year Award for Door Manufacturing.

PATIO DOORS

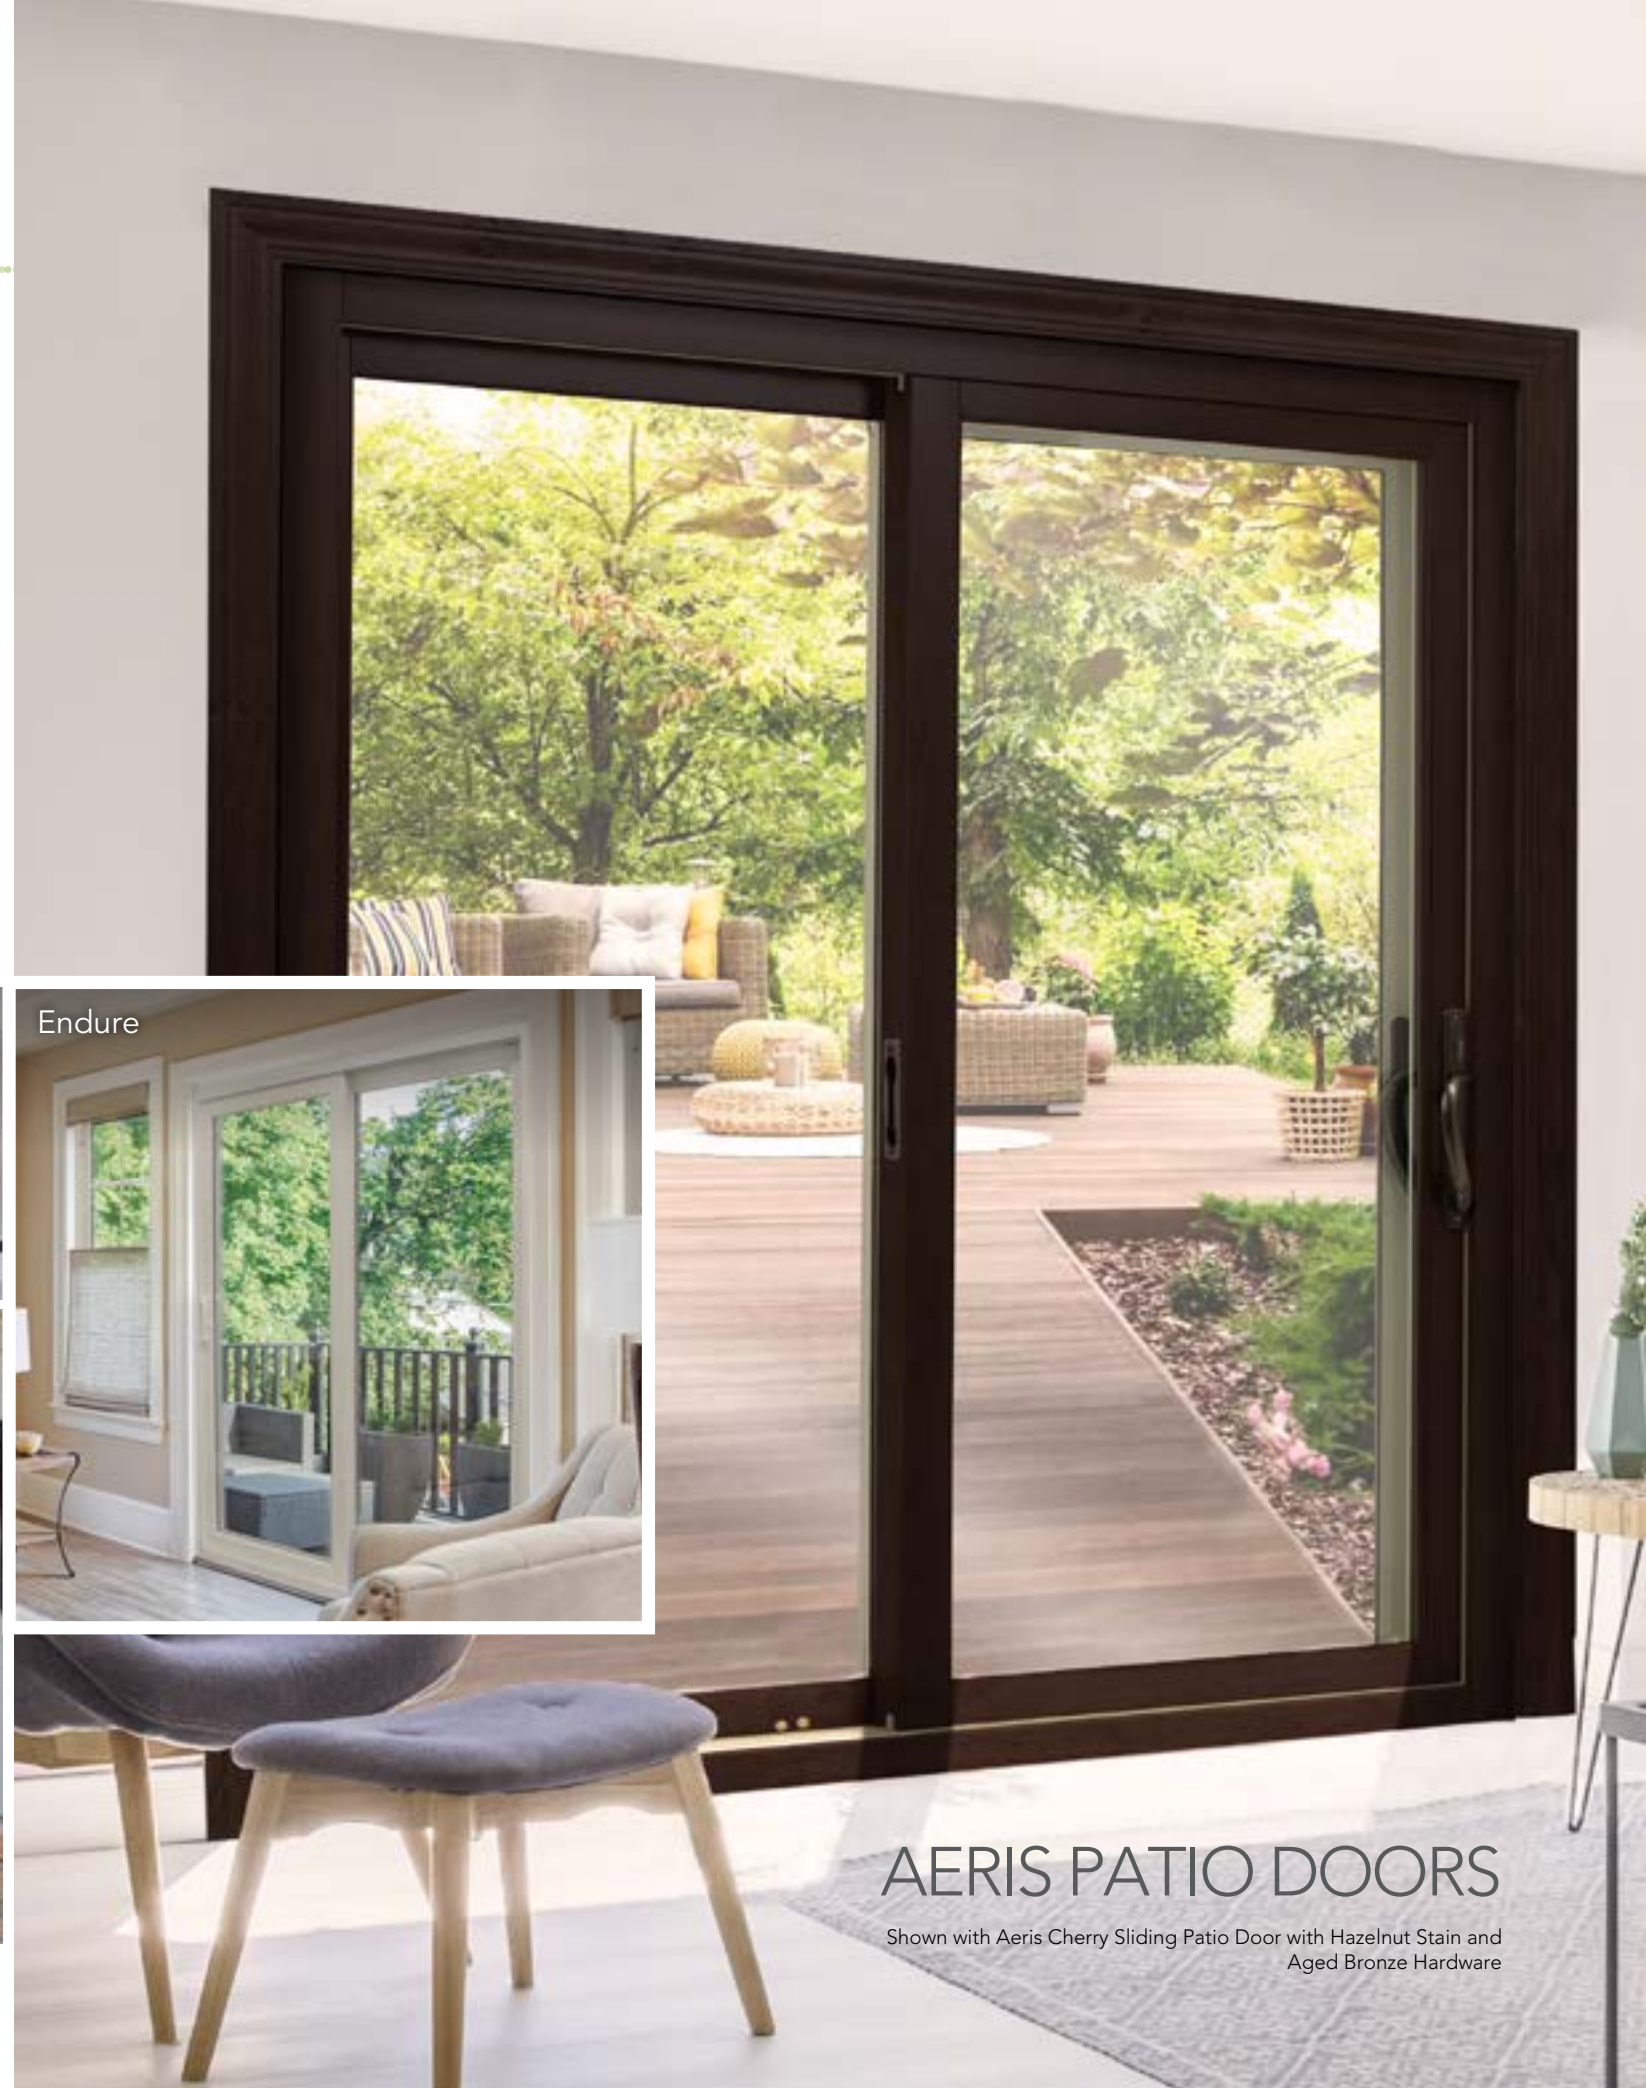

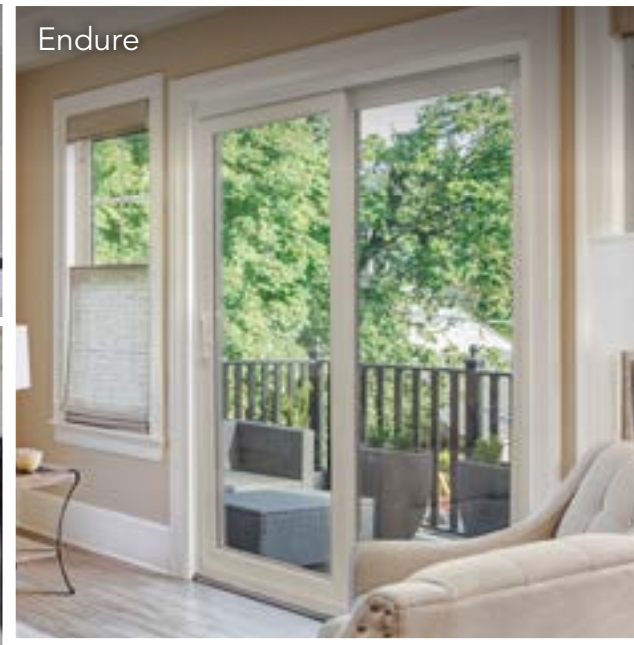

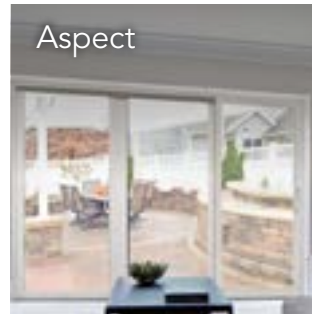

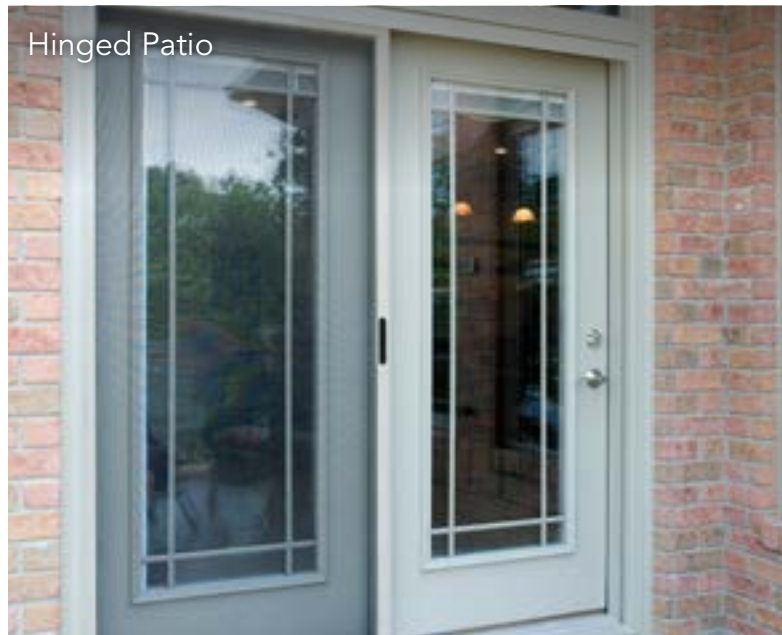

SLIDING & HINGED PATIO DOORS FOR ANY DESIGN OR BUDGET

ProVia offers patio doors that provide **attractive, maintenance-free entryways** for your home.

The **Aeris™** sliding glass door features a vinyl exterior and real wood interior that can be painted or stained, while **Endure™**, **Aspect™** and **ecoLite™** patio doors are constructed of an exclusive PVC formula for durability and strength.

- **Aeris, Endure, Aspect** and **ecoLite** Vinyl Sliding Glass Patio Doors are tested against the most stringent industry standards for air and water infiltration, wind-load resistance, ease of operation, forced entry and much more.
- **ProVia's hinged patio doors** are available in 2- or 3-lite units. They are constructed with the same high-quality materials and workmanship as **Signet®** and **Heritage™** Fiberglass, and **Legacy™** Woodgrain Textured or Smooth Steel entry doors.

VINYL WINDOWS

PROVIA® BUILDS WINDOWS THE PROFESSIONAL WAY

ProVia's **Aeris™**, **Endure™**, **Aspect™** and **ecoLite™** windows are **durable, energy efficient** and provide many options for customization. Aluminum storm windows, available in several colors, are designed to provide the best energy efficiency, weather protection and noise reduction.

- The **Aeris** patented window design features a low-maintenance vinyl exterior and a **pre-finished real wood** interior, available in several paint and stain color options.
- The **Endure** vinyl window is constructed with a graphite foam and extra thermal reinforcements, giving you a high-quality, energy-efficient window with several options for customization.
- **Aspect** vinyl windows exceed industry standards, outperforming other mid-range vinyl windows. Welded construction, weatherstripping and thermal reinforcement combine to make this a solid, energy-efficient choice.
- The **ecoLite** window is a great economical option with basic design choices, helping make your life easier and your home more efficient.
- **Inspirations Art Glass™** is available for entry doors, storm doors, patio doors and vinyl windows.

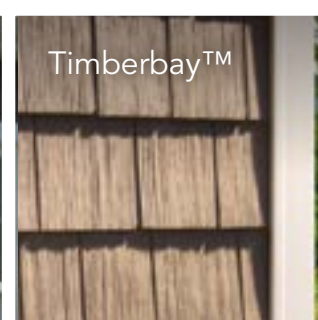

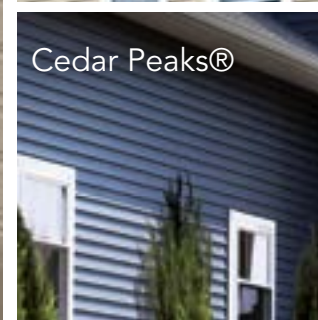

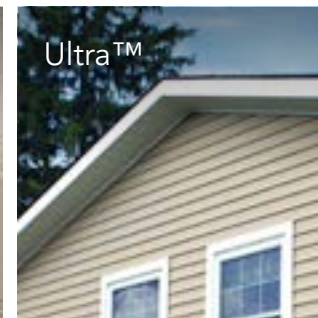

VINYL SIDING

PROVIA'S VINYL SIDING IS THE PROFESSIONAL CHOICE

ProVia® specializes in elegance and endurance. Our professional-class siding has the **look and texture of wood, enhanced with the durability and strength of vinyl.**

- **CedarMAX®** insulated and **HeartTech®** vinyl siding both lead the way for excellence in siding products, backed by outstanding customer service and a friendly professional team of experts.
- All of our siding is created with our **Super Polymer Formulation**, making it incredibly strong. With six product lines of vinyl siding to select from, **value and beauty go hand-in-hand.**

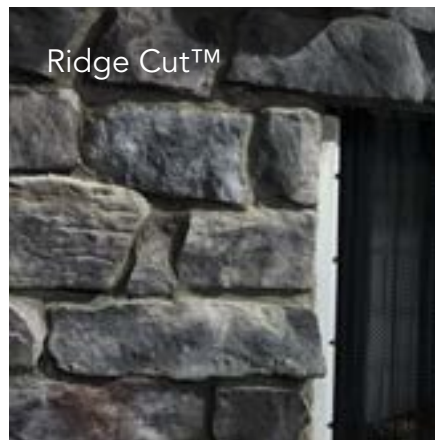

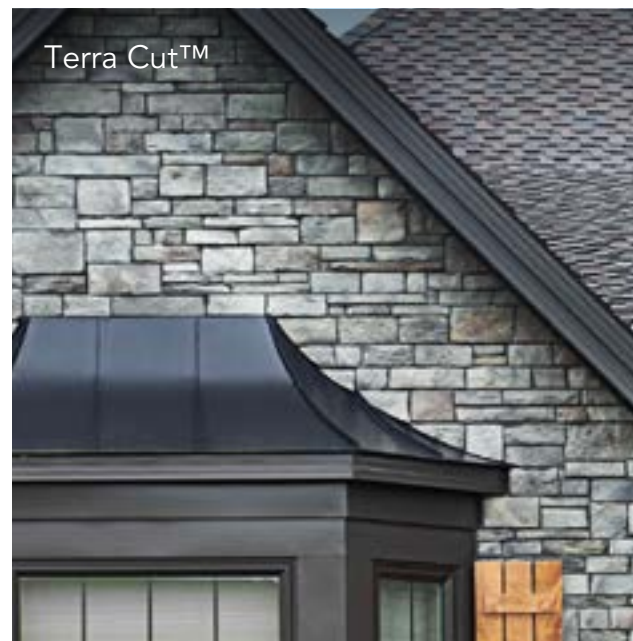

MANUFACTURED STONE

ARTFULLY CRAFTED MANUFACTURED STONE

ProVia uses only the highest quality Portland cement, crushed aggregate, and pigments to create durable, beautifully realistic stone veneer. Our stone artists put pride and passion into every stone they craft.

- Each mold is **handcrafted** to capture the depth and character of natural stone, giving it an **authenticity unmatched in the industry.**
- **Manufactured stone adds elegance and curb appeal** to home exteriors, architectural structures and accent areas.

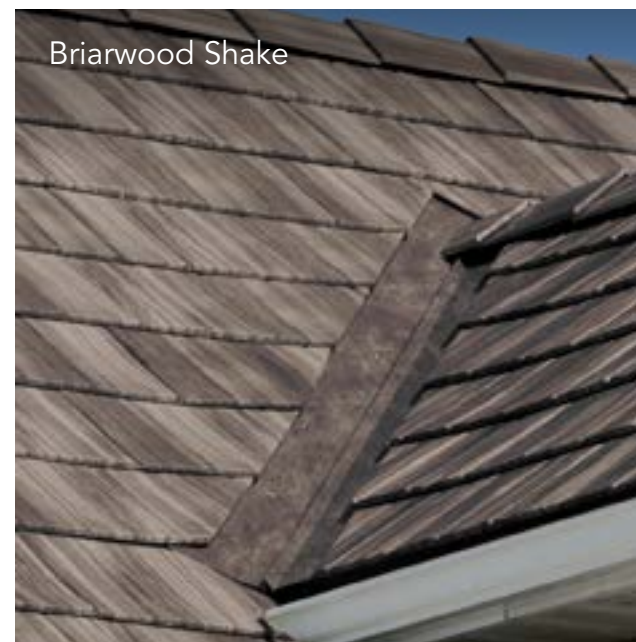

METAL ROOFING

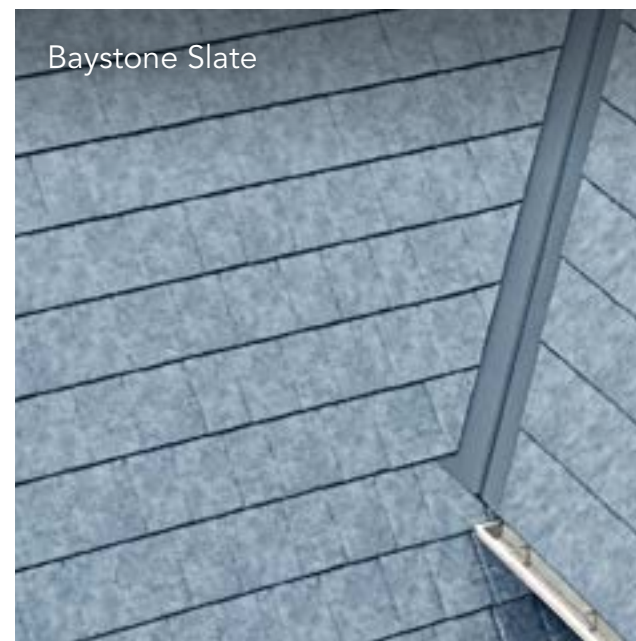

LIFETIME METAL ROOFING WITH THE LOOK OF AUTHENTIC SHAKE & SLATE

Our highly engineered galvanized steel roof system is **extremely durable** and resistant to strong winds, hail, and harsh UV rays. It's designed to be **the last roof you'll ever need on your home.**

- ProVia's two distinctive metal roof styles – **Shake** and **Slate** – preserve the unique characteristics of classic roofing materials to enhance the curb appeal of your home.
- **Every intricate detail** of these metal shake and slate panels was **carefully selected** and cast from time-honored elements into one-of-a-kind profiles featuring authentic, **nature-inspired finishes.**
