

KILLS MICE

**PROTECTING YOUR HOME
AND FAMILY FROM MICE
JUST GOT EASIER!**

TREATMENT TIPS

- For best results, place 2 traps 5–10 ft apart.
- Target areas with high mice activity such as: near refrigerators, stoves, pantries, between washers and dryers, or along baseboards.
- Limit all other competitive food sources in your home. Store food in sealed containers, including dog and bird food.

**MOUSE PREVENTION
TIPS**

Mice venture into your home to find food and heat. Stop invasions before they happen by following these handy tips:

- Cover all openings into your home. Ensure stove and dryer vents are tightly sealed.
- Keep garbage can lids tightly closed.

NOW MORE EFFECTIVE*

Tomcat[®] Kill & Contain[®] Mouse Trap is the easy-to-use and effective way to eliminate mice. The exclusive design kills and contains the mouse, so you never have to see or touch a dead mouse again!

HOW TO USE

1 Open bait door located on back of trap.

Apply a small amount of Tomcat[®] Attractant Gel (sold separately) or peanut butter. Close bait door.

2 Set trap by pressing the set arm located on side of trap.

3 Place trap where you see or suspect mice activity.

4 Check trap frequently and refill bait as needed. When easy-view indicator is pointing to "Mouse Caught", use convenient grab tab to dispose of entire trap.

If trap is accidentally triggered, the easy-view indicator will point to "Not Set". Re-set the trap and place where you see mouse activity.

Keep out of reach of kids & pets. This trap is intended for single use only. Immediately dispose of entire trap.
