### DESIGNED FOR YOUR DREAM KITCHEN

The SJG2254FS 21.6 cu. ft. capacity, French Four-Door, Counter-Depth, Refrigerator pairs beautifully with other stainless steel appliances, and is a contemporary, and stylish addition to your dream kitchen. This counter-depth refrigerator incorporates a unique Triple-Cooling System that allows you to independently control your refrigerator, drawers, and ice maker for greater flexibility and better efficiency. Inside the refrigerator, the four bright white LED lights give you a clear view throughout the refrigerator, plus there are additional LED lights in the Flex Drawer and Freezer Drawer. The control panel for the refrigerator is conveniently located on the Flex Drawer, where it is easy-to-reach and easy-to-use.

The SJG2254FS features a water and ice dispenser on the door. A Slide-In shelf gives you more ways to organize your refrigerator and create more space for larger items like pitchers and bottles. Some practical features, including Chill-Boost and Freeze-Boost, help to guickly adjust the refrigerator and drawers' internal temperatures as needed. The six, spacious, Gallon Door Bins give you the room you need to store your most reached-for items.

The multipurpose Flex Drawer with independent temperature control adapts to your lifestyle. Optimize your storage of meats (30°F), or deli items (37°F). The stainless steel cooling plate helps achieve rapid and even refrigeration. Expecting guests? Set your Flex Drawer to the ideal temperature for beverages (34°F). You can even convert it to a wine chiller (41°F). Gliding smoothly, and extending fully, you always have easy access to what's inside. The spacious Freezer Drawer includes an upper pullout-drawer for quick access to grab-and-go items and an extra ice storage bin. With customizable storage and thoughtful engineering, the elegant stainless steel SJG2254FS refrigerator really is Simply Better Livina.
