At Hartville Hardware & Lumber, we take pride in providing a seamless shopping experience from the moment you step through our doors or visit our website to when you receive your purchase.

Our Vision | Established in 1972, we strive to be an integral part of the communities we serve in Hartville and Middlefield, Ohio, by providing high-quality products, competitive pricing, and an exceptional customer experience.

Our Team | Behind every successful company is a dedicated team that genuinely cares about its customers and each other. Our team members are knowledgeable, experienced, friendly, and always ready to assist with finding the right products for your needs.

Our Services | Whether you're a DIYer, a small business, or a large corporation, we offer a variety of services to assist with your project.

1. Lumber Drive-Thru | 30,000 square-foot with three indoor lanes and load-up.
2. Lumber Mill | On-site mill cuts custom doors, molding, indoor trim, and outdoor trim.
3. Local Delivery | Have your products delivered straight to your doorstep.
4. Rental | Rent trailers, lifts, excavators, and more.
5. Find a Professional | Ask a sales associate to recommend a dependable installer.
6. Idea House | Get inspired by the latest trends and materials in exterior and interior building products.

Thank you

for choosing Hartville Hardware & Lumber as your preferred shopping destination.
We look forward to serving you every step of the way.

TimberTech Color and Grain Offerings

Vintage Collection® - Exotic Hardwood Aesthetic

Engineered to resemble sought-after premium hardwoods like Ipe, Mahogany, and Teak, the Vintage Collection delivers high-end aesthetics. The collection featured a refined wire-brushed finish and multi-tonal color blending with highlights and lowlights to replicate the nuanced colors of those prized hardwoods.

- Multi-Width Decking available in all colors.
- MAX (1.5" thick) boards available in Coastline. Can span up to 24" on center, making it ideal for board walks, docks and other commercial applications.
- Best choice for fire zones thanks to WUI-compliance and Class A Flame Spread Index rating

Landmark Collection® - Crosscut Hardwoods

The landmark Collection is designed to resemble popular hardwoods like white oak and walnut that have been crosscut for character-rich texture. The crosscut grain with a matte finish delivers a soft yet textured look. Cascading colors define board-to-board color variation.

- All colors available in standard width and thickness.
- Better choice for fire zones thanks to Class A Flame Spread Index rating.

Harvest Collection® - Refined Cathedral Grain

The Harvest Collection features an attractive cathedral grain with varying peaks for an authentic wood look. The soft, solid colors deliver a painted or stained wood aesthetic and are highly versatile, suiting a wide range of styles.

- Brownstone and Slate Gray available in standard and wide widths.
- MAX (1.5" thick) boards available in Slate Gray. Can span up to 24" on center, making it ideal for boardwalks, docks, and other commercial applications.
- Better choice for fire zones thanks to WUI-compliance.

*Additional products available through Special Order

Legacy Collection® - Hand-Scraped Finish

The Legacy Collection features an artisanal, craftsman-inspired aesthetic with its cascading hues and textured hand-scraped finish. The variable grain pattern ensured each board is unique.

Tigerwood

Reserve Collection® - Reclaimed Wood Look

With bold, multi-tonal colors and wire-brushed cathedral grain pattern, this Collection delivers the look and feel of reclaimed wood. Fire-resistant (FR) SKUs feature WUI-compliance to offer a better choice for fire zones.

Driftwood

Terrain Collection® - Rugged Cathedral Grain

Embrace an authentic wood look with the Terrain Collection. Color options include a natural wood look or solid coloring for a stained wood look. With a scalloped profile, these boards are lighting in weight for easier installation - without sacrificing a solid underfoot feel.

Silver Maple

Prime+ Collection® - Timeless Wood Grain

Upgrade from wood with the authentic wood visual of the Prime+ Collection. Featuring inviting colors and textured straight grain pattern, this collection delivers attractive aesthetics and an attainable price point.

Coconut Husk®

*Additional products available through Special Order

Advanced PVC and Composite Decking

Elegant, weatherable, and made to last, the TimberTech® decking collection features the look of woodgrain without the time-consuming maintenance and upkeep of natural wood.

Benefits |

- Exceptional moisture resistance
- Won't split, warp, crack or splinter
- Never needs painted or stained
- Resistant to rot and insects
- Easy to clean and maintain
- Made from up to 85% recycled content
- Wide variety of natural looking colors
- Easy to install
- Peace-of-mind industry leading warranty
