

## **Technical Data Sheet**

## HW1393 VERSAILLES UNFINISHED **HENLEY**

Usage: See Havwoods quick reference guide to choosing the correct floor

The photographs used in this sheet are intended only as illustrations, colours shown are only as accurate as the printing process or device screen will allow. Due to the size of this photograph, it does not provide any indication of grading. Please refer to our separate grading rules. No rights can be derived from them.

Product Details	
Product Code	HW1393
Product Range	Henley
Construction	Multi Layered Engineered
Species	European Oak (Quercus spp.)
Pattern	1-Strip
Process	Fine Aged
Finish	Unfinished
Profile	Tongue & Groove
Edge Profile	Worn Edge
Top Layer	6mm European Oak (Quercus spp.)
Backing	Eucalyptus Plywood (Eucalyptus Grandis)
Thickness	20mm
Width	800mm
Length	800mm
Pack Size	1.28m²
Grade	Rustic
Maintenance	Comprehensive maintenance instructions and materials are available from Havwoods for all floors.

Installation Methods	
Fully Bonded	Yes* (recommended)
Nailed	Yes*
Floated on underlay	No
Over Underfloor Heating	No

## **Grading Criteria**

Known as either natural or rustic grade this allows a virtually limitless size and number of knots. Heartwood will be used, there will be colour variation, sapwood and filler; you should expect checks (cracks across the growth ring) and possibly some end shake cracks between the rings). The colour of the filler is intended to complement the natural structure of the wood, where features such as knots are in contrast to the surrounding timber, and it may vary from batch to batch.

NB: The product grading criteria is an approximation only. Please ask for details. Contact your Hawwoods consultant on 1300 428 966.

Origin Asia  Hawwoods timber is sourced from sustainably managed forests that also adhere to local illegal logging legislation.  Janka Hardness Rating 4.98 kN  Formaldehyde Emission E1(EN 717-1)  Pentachlorophenol Emission < 5ppm (CEN/TR 14823)  Slip Testing P3 (AS 4586)  European reaction to fire classification BfI-s1 (EN13501-1)  Thermal Conductivity \$ \$0.16 W/m K (EN 12664)	Technical Criteria
