RealGrain

RealGrain utilises a brand new innovative technology to combine the beauty of timber with the durability of melamine and High Pressure Laminate (HPL) to create an ultra-realistic, timber look panel. Available in a quick and easy click wall format making it a versatile addition for both residential and commercial applications.

Simplista

A textured, pre-primed MDF panel, Simplista offers dimension and interest to interiors. Available in three patterns, in a flexible panel for curved surfaces and ready to be painted in any hue, Simplista is ideal for adding a splash of personality.

PurePanel

Havwoods PurePanel® pre-finished veneers are perfect for creating stylish and unique interiors in both commercial and residential applications. Our PurePanel® boards and veneer sheets are incredibly versatile and ready to use, offering huge time and cost savings, whilst still creating the distinctive look and feel only available from real wood.

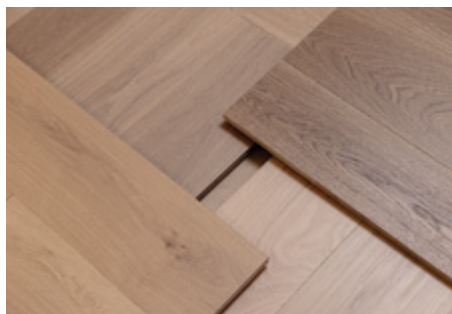

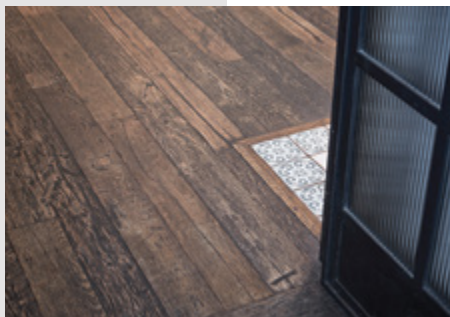

Hushwood Acoustics

Hushwood Acoustics feature a range of slatted timber battens designed not just to improve sound quality but interior aesthetics as well. Can be used on walls and ceilings. Lightweight and easy to install, these are available in 4 colours.

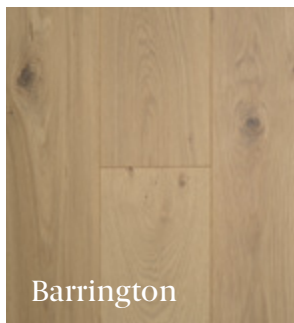

Relik

Relik is a collection of both genuine reclaimed timber planks as well as reproduced reclaimed planks. Whether you're looking for a vertical specific solution or a versatile option suitable for walls, floors and cabinetry, these products bring character and history into interiors.

Flooring

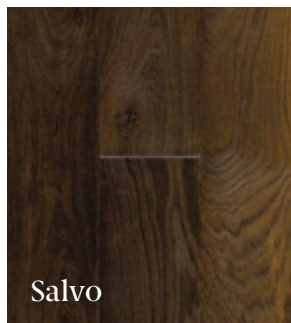

With over 160 timber flooring options in a range of tones, patterns and specifications our team are sure to help you source the perfect flooring solution for your commercial project.
