Honestly - the best in the business!! Super easy to deal with excellent design input without being pushy. A beautiful showroom to help see the real life product so you know what you're getting and how it will look in your home.

- Steve D

All of our dealing with Havwoods have been nothing short of excellent. The products arrive when they say and have been installed without fuss. Our clients have been glowing in their comments, so much so that we are seeing numerous referrals, in no small part because of the Havwoods timber floors. Needless to say we will continue to use their products.

- Darren M

We had a great experience with Havwoods. From the initial meeting, to delivery, to handover and to the after sales care, we were very pleased. Great supplier!

- Jan E

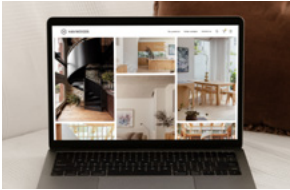

The whole team from the showroom to the warehouse is very knowledgeable about products and are always extremely helpful with picking floors for our customers. The showroom is a great space to visualise flooring finishes. We love working with Havwoods and cannot recommend the team highly enough!

- Chris W

The quality of Havwoods timber flooring is unparalleled. The range of options they carry in-stock here in Australia is truly impressive. So many stunning designs, colours and finishes. They even offer Bespoke timber flooring that I have never seen before.
