Seeing Things Differently

clerkenwell 23-25
design week may

HAVWOODS
INTERNATIONAL

Seeing things differently

In this year's Clerkenwell Design Week, we will take you on an extraordinary journey of wood flooring innovation and inspiration. Come and visit our showroom and discover what's new!

In signature Havwoods fashion, the three-day event will be accompanied by canapés, wine and entertainment, ensuring that you will be well looked after throughout the festival.

Our Routemaster Bus is located at Brewhouse Yard serving you delicious coffee, and the Prosecco van just outside of the showroom will treat you to a glass of fizz so be sure to be there. Our Havana Nights end of festival party will bring you a taste of Cuba in Clerkenwell!

Check out our full programme in this guide and join us for an engaging programme of events.

Secrets of new product development

Speakers

Anthony Scott,
Global Product Director

Paul Moody,
Global Digital & Marketing Director

Location

Havwoods Showroom

Date & Time

23 May - 15:00 to 16:00

Product innovation and new product development has been a lynchpin of the Havwoods' global success story.

This insightful talk will explain some of the secrets behind the success and provide a sneak preview of what more there is to come.

Next-gen thinking: Designing for the future

Speakers

Hamish Kilburn

Rachel Hoolahan

-

Location

Havwoods Showroom

-

Date & Time

24 May - 15:00 to 16:00

In a conversation that promises to be uplifting as well as informative, Hamish Kilburn, Editor of Hotel Designs will be speaking with Rachel Hoolahan, Associate at Orms.

Together, they will explore the concept of designing for the future generations; what is needed to elevate the role of design in years to come.

The questions asked are: what is human-centred design, how to involve younger generations in the process, and what are the fundamental differences between now and then.

Speakers

Eva Woode

Asif Din,
Perkins&Will

Michael Woodford,
White Arkitekter

Location

Havwoods Showroom

Date & Time

25 May - 15:00 to 16:00

Exploring a circular future. A discussion on how the construction industry needs to adapt.

Join us for a conversation about the implications of the circular economy for architecture and the wider construction industry.

Listen to Asif Din (Sustainability Director at Perkins&Will) and Michael Woodford (Partner and Director of London Studio, White Arkitekter) as they present projects based on circular economy principles and explore ideas on what a circular future will mean for the whole supply chain. Moderated by Eva Woode.

Exploring a circular future

Journey towards circularity

Speaker

Simon Myatt

-

Location

Havwoods Showroom

-
