

Large Area Vacuum Cleaning

Titan 29 & Titan 55

Includes:
Wet/Dry Tool Kit
#HPVA002

15' Flexible
Vacuum Hose
#HPVT1060

The Hawk Titan 29 and Titan 55 wet/dry tank vacuums are built for years of trouble-free service. Ideal for large volume recovery of liquids and solid wastes. Safely moves heavy loads up to 400 lbs. on large rear wheels and industrial front casters. The corrosion-resistant tank is easy to rinse out through the 13" top entry hole. Drain liquids and debris collections from the rear-mounted quick-drop drain valve.

Power

- 2 HP, 2-stage heavy duty bypass motor. (230V Option).
- 2-piece commercial, 35 ft. (14-3) SJT easy-wrap power cord

Engineered Design

- Corrosion-resistant roto-molded tank is easy to clean
- Quick-drop drain valves - 1.5" (T29) and 3" (T55)
- V29-V - Large 5" rear wheels and strong 3" front casters
- V55-V - Large 6" rear wheels and strong 4" front casters
- Powder-coated steel handle and carriage
- An automatic liquid shut-off prevents motor flooding
- Includes wet/dry tool kit (#HPVA002)
- Includes 15 ft. flexible vacuum hose (#HPVT1060)
- Includes one acid and mildew resistant, non-pleated washable synthetic cloth dust bag (#HPVA4040) and mounting ring (#VA2018)

Safety Features

- Quiet operation - 68 dB. Meets GS42 requirements
- Quick drop drain hose prevents need for lifting
- UL / CUL approved components for safe performance
