10" All-In-One

Your Complete Meeting
Room Solution.

The 10" Android powered all-in-one meeting room solution blends simplicity with power and functionality, giving you the ability to easily improve how people reserve and utilize your meeting rooms.

By integrating with your back-end systems, you can enable anyone to book any meeting room from a computer, or directly from the signs. This tablet includes a VESA wall mount for wall or glass mounting or a tabletop stand and is built to be used with the FWI BOOKED application.

**Say goodbye to the
whiteboard and paper
scheduling "systems"
of the past and **say**
hello to the future of
meeting room signage.**
