

kitchencompact.com

NATIONWIDE AND FAMILY-OWNED
MANUFACTURER OF
KITCHEN & BATH CABINETRY
SINCE 1937.

More solid wood than most other manufacturers.

- **Solid** wood hanging rails on wall and base cabinets.
- All frames are built of **solid** 3/4" kiln-dried hardwood, joined by mortise and tenon, plus glued for added strength.
- **Solid** wood toe kicks, 3/4" thick.
- Plywood drawers are standard. A front-to-back epoxy-coated drawer system is securely attached to a **solid** wood rail in the back of the base cabinet for stability, and years of smooth operation.
- End panels consist of 3-ply construction, 1/2" thick engineered wood core with hardwood veneers.

Kitchen Kompact is located in Jeffersonville, Indiana, across the Ohio River from Louisville, Kentucky.

750,000 square feet of manufacturing and finished goods inventory.

One of America's most efficient kitchen cabinet manufacturing facilities.
