CALIFORNIA PROPOSITION 65 OVERVIEW

What is Proposition 65?

Proposition 65 requires businesses to provide warnings to Californians about significant exposures to chemicals that cause cancer, birth defects or other reproductive harm. This enables Californians to make informed decisions about their exposures to these chemicals.

Proposition 65 requires California to publish a list of chemicals known to cause cancer, birth defects or other reproductive harm. This list, which must be updated at least once a year, has grown to include approximately 900 chemicals since it was first published in 1987.

What does the warning look like?

WARNING: Cancer and Reproductive Harm - www.P65warnings.ca.gov

What does a warning mean?

The product package associated with the warning could expose individuals to one or more of the chemicals on the list.

How do I learn more about Proposition 65?

Visit this website to learn more about Proposition 65.
<https://www.p65warnings.ca.gov/>

Where do I find answers related to businesses?

COMPREHENSIVE ARCHITECTURAL HARDWARE CONSULTING SERVICES

PAMEX INC. has experienced architectural hardware experts on staff to provide the architectural and design community with comprehensive consulting services surrounding architectural hardware, doors and frames specifications.

We understand the importance of meeting time-sensitive deadlines and strict budget requirements. When you use Pamex's complimentary specification writing service, you will achieve both.

Pamex saves you time by operating your door hardware specifications on your behalf at no cost. We review the plans and help you spot and fix conflicts between the door schedule and floor plans.

Our goal is to help you by taking the stress and worry out of creating the hardware schedule during the design phase of your project by providing you with the following complimentary services:

- Developing detailed, architectural hardware specifications and schedules
- Meeting with your design professional and/or owner / architect to discuss project requirements and coordinate security and access control.
- Consulting on the applicable building codes to ensure fire, life-safety, and accessibility requirements are met
- Assisting with the development of keying schedules
- Provide product catalog cuts, electrical elevations, and riser diagrams
- Review of substitution requests, product applications, and product questions
- Review and comment on hardware submittals
- Conduct jobsite reviews, pre-installation meetings and post-installation inspections
- Conduct fire door inspections (FDAI-certified)

We believe that by offering you these complimentary, value-added services, along with our premium quality and cost-effective products, you'll see for yourself how Pamex really does give you more.

COMSENSE

ABOUT PAMEX

Established in 1985, Pamex Inc. is a leading manufacturer and distributor of builders' hardware. Quality products and outstanding customer service are the hallmarks of Pamex. Our major product lines include commercial and residential door locksets, door closers, exit devices, hinges, bath accessories, and miscellaneous door hardware.

We offer high quality, durable products and services at significant value to all of our customers. Our headquarters and main warehouse in Chino, California inventories products in substantial volume to ensure that we can complete any multi-family, single-family, or commercial project. Our services include specification writing, submittal reviews, fire and accessibility code expertise, and keying schedule. We also provide in-house keying services, order entry, and shipping management. Our dedicated customer service team ensure that we provide the best service all along the way.

MISSION

To provide extraordinary service and supply quality products to meet customer needs and exceed their expectations
To continuously improve upon our services and products by embracing innovation and new challenges

WHY PAMEX?

Here are seven main reasons to choose Pamex as your hardware solution:

- **Service:** Our unparalleled level of customer service ensures our customers have our full support every step of the way.
- **Convenience:** We are a one-stop shop for hardware products and services, including in-house rekeying, and creation of keying schedules, specifications writing, codes and compliance consultation, and substitution request.
- **Responsiveness:** Orders are processed and shipped smoothly and quickly
- **Knowledge:** We have a wealth of expertise on codes, products, and the industry.
- **Quality:** Our high quality, durable products offer the best of security with warranties to back up our promise.
- **Cost:** Keep your development in budget with durable, cost-effective hardware solutions.
- **Integrity:** We say what we will do and do what we say!
