

PlyClear

NAF Plywood

Available in 4 Core Types: Veneer, MDX, MDF, and Particleboard

Manufactured by Mt. Baker Products

Proudly Supplied By Rugby Architectural Building Products in Phoenix, Arizona

PlyClear

PlyClear® is Mt.Baker Products' exclusive formaldehyde-free resin.

Mt.Baker's Soy Based Adhesive eliminates added urea formaldehyde from veneer core and NAF composite hardwood plywood panels. From manufacturing to the consumer, all will have peace of mind knowing that Mt.Baker Products' PlyClear panels are the healthy and environmentally sound choice.
