2020 WHAT A YEAR IT'S BEEN!

HDI Announces Acquisition of River City Millwork

ROCKFORD, IL, December 14, 2020

As part of our strategic growth objective for 2020 Rugby purchased River City Millwork in Rockford, IL. We will continue to conduct business under the River City Millwork brand and from its 100,000 sq/ft facility. River City Millwork serves millwork retailers and dealers with a distinctive quality and product mix consisting of doors, columns, trim and related millwork products. River City produces a variety of interior prehung door units, as well as hundreds of unique exterior door entry systems. This is a strategic expansion of Rugby's growing door and related millwork business that saw Rugby purchasing the four locations of Pacific Mutual Door Company in 2019, and expanding its existing presence in the mid-west.

Decreed an Essential Service

Rugby Architectural Building Products in New York was quick to supply Tafisa white melamine panels for the Nurse's stations going into the Suny Old Westbury Emergency Hospital. Because Rugby was decreed an essential service they were open and able to respond to the orders which came in overnight. 29 nursing stations 20' plus 27 tables.

Rugby Atlanta and Suwanee Combine In One Supercenter Location

Rugby Architectural Building Products united the Suwanee and Atlanta locations into one location. The Atlanta location has 160,000 sq/ft, with 20 loading docks, stocking 5,000 SKU's for immediate pick-up or next day delivery to the Suwanee market by our fleet of 9 delivery trucks. In addition to the broader product assortment the Atlanta facility offers additional customer services including: cut-to-size lumber, countertop fabrication, and more.

Rugby Stoughton Consolidated Two Locations

The Rugby Gorham, ME branch was consolidated into the Stoughton, MA facility. The 11 acre Rugby Stoughton location stocks a wide range of plywood, lumber, Staron Solid Surface, hardware and laminate. Stoughton customer support services includes a full service mill with two surface planers, a gang rip saw and a six head moulder.

Houzz Bathroom 2020 Trends Released

The recently released 2020 U.S. Houzz Bathroom Trends Study surveyed 1,594 U.S. homeowners about recent or planned master bathroom renovations. The study found that the national median amount spent on a remodel remained consistent with 2019 at \$8,000, but those with shower upgrades were three times more expensive. Of those surveyed, 74% had upgraded or planned to remodel vanity cabinets while 30% were adding new cabinets. Outdated style and lack of storage was cited by 64% and 34%, respectively, as the reasons for remodeling.
