## MORE THAN WOOD

### World's largest timber-towered suspension bridge

**Construction is underway on what is being called the world's longest timber-towered suspension bridge.**

Boyne Mountain ski resort in Michigan expects SkyBridge Michigan will be completed in June 2022. The 1,203-ft long and 118-ft high pedestrian bridge will span the chasm between the peak of McLouth, near the top terminal of the resort's express chairlift, and end at the summit of Disciples Ridge
