PRISM

LOVE YOUR LAMINATES

**Update your showroom.
Build a prototype display.
Create a model kitchen.**

Give your customers a real look at your design capabilities. Our team and the **PRISM Reveal Program** are ready, and excited to support you!

DISTRIBUTOR Requirements:

- Distributor to prequalify the showroom proposal for quality, traffic & exposure; **ARAUCO to provide final qualification**
- Distributor agrees to maintain inventory supporting the showroom initiative with TFL and edgebanding (HPL and doors as required)
- Photos* are required for reimbursement
- An authorized distributor signature provides approval and release from the fabricator allowing **ARAUCO** promotional use, and as an agreement to co-market the project(s)
- Fabricator will also qualify to be listed as a Partner (with showroom identification) on the **ARAUCO** website

www.prismTFL.com

ARAUCO Deliverables^Δ:

- TFL panels, HPL and edgeband for showroom and display(s) to be supplied as qualified and reimbursement is at the discretion of **ARAUCO^Δ**
- **ARAUCO** agrees to facilitate the supply of material according to the standard lead-times per TFL facility
- Sales and specification leads supplied and supported by **ARAUCO**
- Network promotion through our specialist and sales team
- Marketing support may be provided for collateral such as co-branded flyers, brochures and e-promotion along with assistance with creative development of customer email and social media campaigns
- Online sample fulfillment (via www.prismTFL.com) / special sample sizes for mockups or others will be provided by the distributor

carbon neutral

First global forestry company to achieve third party certification in 2020.
