

## Architectural hardware that is stylishly designed and built to last.

Strauss Security's showroom in Urbandale, Iowa has a variety of manufactures to choose from when it comes to designer hardware for your home. Call us today at **515-276-7030** or visit our showroom to learn more about our large selection of styles, finishes and models for all your updating and remodeling needs.

### Designer Residential Hardware

#### Home Door Hardware

Add new style to your doors with designer hardware. Adding new hardware is a simple and dynamic way to finish your remodel or to give your home a new look. Strauss carries a wide selection of residential door hardware including: handles, pulls, hinges and kick plates.

#### Cabinet Hardware

Finish your cabinets with designer cabinetry hardware. Strauss Security has all of the top design cabinet hardware you have been dreaming of, from simple knobs and handles to custom pulls. Offering a variety of styles and finishes to fit any residential application, perfect for remodels and new construction.

#### Home Door Accessories

Strauss offers many different accessories for the doors in your home including, door knockers, door viewers, door stops, mail slots and address numbers. Stop by our showroom to see the accessories that will not only improve your security but also increase curb appeal.

#### Bath Hardware

Give your bathroom a refresh with our stylish tissue holders, towel holders and cabinet hardware. A Strauss sales representative can help measure and recommend hardware to suit the needs of your new or remodeled space.

## Commercial Hardware

### Extensive selection of commercial interior door hardware.

Strauss Security has everything you could possibly need to keep your doors secure including closers, hinges, panic bars, power openers and more. Our highly trained and skilled technicians can survey your project and recommend proper hardware for all of your door openings.

Call us at **515-276-7030** or visit our showroom today when you need commercial hardware.

#### High Security Locks

As a Medeco Security Center we provide the highest quality components to meet and exceed quality and high security standards.

#### Commercial Opener / Closers

We not only offer power door openers and closers, we can service and repair broken ones. Door closures are a great solution to higher traffic doors.

#### Commercial Door Knobs / Levers

Switch up the look of your office with new knobs and levers on your doors. Let Strauss help you choose the grade to handle your needs.

#### Master Key Systems

Try a master key to allow yourself access to every part of the building with one simple key.

#### ADA Approved Door Hardware

ADA Approved hardware for your needs and requirements.

#### Exit Devices / Panic Bars

Add an exit device or panic bar to an emergency exit door to meet fire code requirements.
