Features & Benefits

Bring ambient light into your room with our Glass Doors!

The 4620 french doors are a beautiful and stylish option for an interior door.

The lites, or glass panes, allow natural light to flow into the room and make for a timeless and elegant look.

Ideas & Inspiration

Make it Double

Although double French doors are mainly known for exits and entryways to outdoor areas, houses with larger common areas much like a living room or an in-home patio are perfect places to utilize a double French door.

A thought for this month...

“Never be limited by other people's limited imaginations. If you adopt their attitudes, then the possibility won't exist because you'll have already shut it out... You can hear other people's wisdom, but you've got to re-evaluate the world for yourself.”

— Mae Jemison, Engineer, physician, and astronaut
