Remodel Kit

Pro-Series Cutaway

90° Square Corner

45° Clipped Corner

Standard Kit Components

PRO-SERIES FRAMES | FEATURES:

- Easy installation - Five minutes to assemble, twenty minutes to install
- .062 (16 gauge) extruded aluminum for strength and durability - with composite insert
- Heavy-duty steel corner gussets for perfectly mitered corners
- No wood in frames means no rot, no water wicking, no warping, and no bug infestation
- Optional 3-1/2" flat casing and J-mould (both field applied)
- Matches the entry and patio door frames while also complementing all the window frame systems available in market
- Colors - White, Black, Sandstone, Bronze, Terratone, Bahama Brown, Green, Almond, Eggshell, Beige and Wineberry

REMODEL-SERIES FRAMES | FEATURES:

- Standard with brickmould nosing, or choose our optional crownline nosing. Available to add our 3-1/2" flat casing or j-mould.
- Aluminum is shipped long for field trimming.
- Heavy-duty extruded aluminum for strength and durability.
- Any width up to 18' and height up to 18' available.
- Eggshell, Beige, Iron Ore and Wineberry available in two pieces over 5-1/2" jamb depth
- One piece jamb depth up to 7-1/2" available in White, Black, Sandstone, Bahama Brown, Bronze, Terratone, Green and Almond
- Matches the entry and patio door frames while also complementing all the window frame systems available in market
